9 home to the student's parent or guardian.

10 Sec. 2. IMPLEMENTATION OF ACT. Section 25B.2, subsection
11 3, shall not apply to this Act.

12 EXPLANATION

13 The inclusion of this explanation does not constitute agreement with
14 the explanation's substance by the members of the general assembly.

15 This bill requires school districts to provide the parent
16 or guardian of each student enrolled in the school district
17 with a printed copy of the student's report card. The bill
18 establishes that school districts may fulfill this requirement
19 either by mailing the report card to the parent or guardian or
20 by providing the report card to the student and directing the
21 student to take the report card home to the student's parent
22 or guardian.

23 The bill may include a state mandate as defined in Code
24 section 25B.3. The bill makes inapplicable Code section
25 25B.2, subsection 3, which would relieve a school district
26 from complying with a state mandate if funding for the cost of
27 the state mandate is not provided or specified. Therefore,
28 school districts are required to comply with any state mandate
29 included in the bill.
